Raghunath S. Kelkar Petitioner
V/s.
The State of Maharashtra & Others
Respondents

Mr.Rajesh S. Patil for the petitioner.
Mr.N.P. Deshpande, APP for State.

CORAM : SWATANTERKUMAR, C.J.

&

J.P. DEVADHAR, J.

DATED : 6TH DECEMBER 2007.

P.C. :

The contention of the petitioner is that the notification under the Development Plan, Pune (Revised) was issued in relation to land bearing CTS No.256 in the year 1987 and the purchase notice was issued by the original owners on 25-02-2003. Though on 18-06-2003, the Municipal Commissioner proposed to the Standing Committee for acquisition of the said plot, till today neither the acquisition proceedings have been completed nor any steps have been taken.

2. The learned counsel appearing for the State submits that they would take appropriate steps and endure their best to complete the acquisition proceedings and deal with the notice

issued by original owners within two months from today. The Respondents will abide by their statement.

3. In view of the statement, nothing survives in this Public Interest Litigation.

4. The Public Interest Litigation stands disposed of leaving the parties to bear their own costs.
